My Geo-Blox

LEARN ABOUT SHAPES, COLORS & MORE!

INTRODUCTION

Looking for a fun and educational toy that helps kids learn about shapes and colors? Look no further than the **My Geo-Blox** designed for younger kids aged 3 and up. This interactive learning set comes with five blocks and one book, offering an intuitive way for kids to enter the world of 2D and 3D shapes through hands-on learning by opening and assembling the blocks along with the colorful shaped characters of the book. (3+ years)

7921FA

INCLUDED IN THIS PACKAGE

- **My Geo-Blox** (5-in-1 set)
- **Cardboard Book** (32 pages)

ADVICE

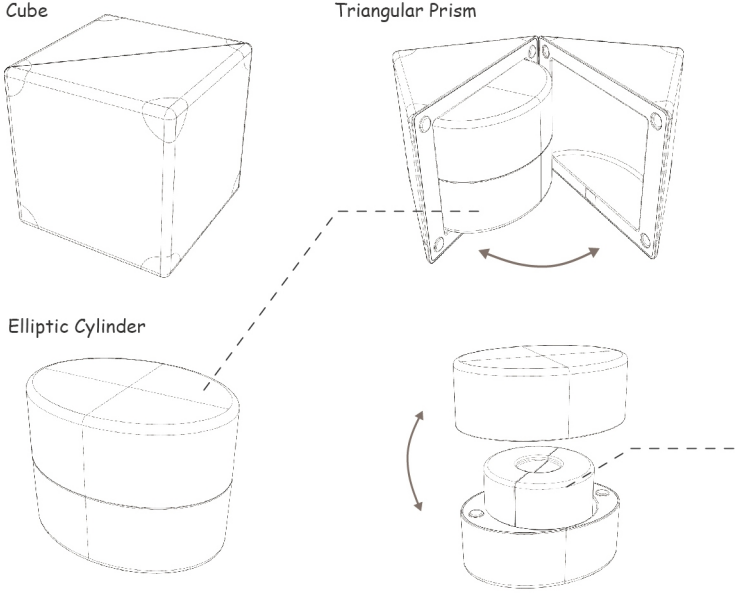

- All packing materials, such as tape, plastic, sheets, packaging locks, wire ties and tags are not part of this toy, and should be discarded for your child's safety.
- Please keep this user's manual as it contains important information.
- Please protect the environment by not disposing of this product with household waste.

GETTING STARTED

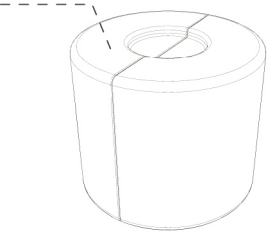

Take the blocks and the book out of the box.

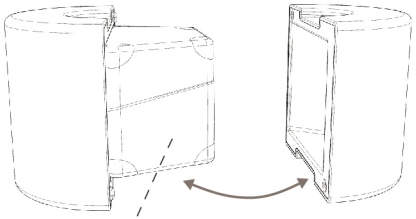

1. Open All The Blocks

Try to open all the blocks and find the treasure Heart inside.

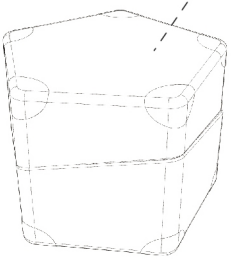

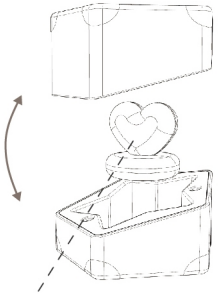

Circular Cylinder

Pentagonal Prism

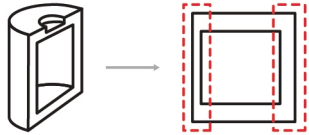

The treasure Heart

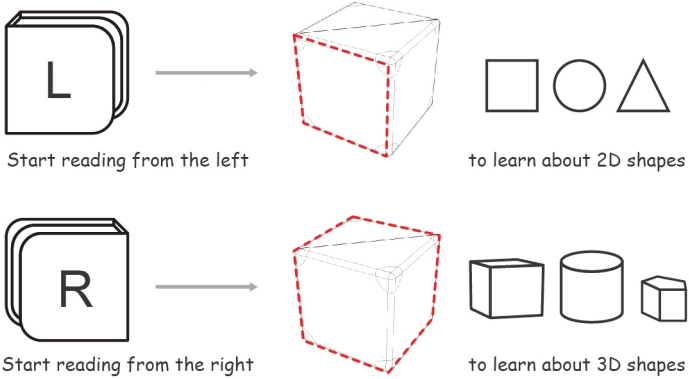

2. Put All The Blocks Back Together

When putting the pentagonal prism inside the circular cylinder, please notice that the margins of the circular cylinder are slightly different between the left and the right sides.

3. Play With The Book

- The book can be read in both directions.
- Read the book while playing with the blocks to learn more facts about shapes.
- It is ideal for kids and parents to read the book and play with the blocks together.

ACTIVITY GUIDE

- Learn how to open and assemble the blocks.
- Play with the blocks and read the book.
- Learn the basic 2D shapes with the names and properties of square, triangle, ellipse, circle, pentagon, and more.
- Learn the names of the basic 3D shapes: cube, triangular prism, elliptic cylinder, circular cylinder, pentagonal prism, and more.
- Learn the colors that include red, orange, yellow, green, blue, and purple.
- Count how many blocks there are.
- Observe the objects surrounding and identify their shapes or colors.
- Freely play with the imagination.

CARE AND MAINTENANCE

- Keep product away from foods, beverages, and fire.
- Clean with a slightly damp cloth (cold water) and mild soap.
- Never submerge the product in water.
- Avoid exposing product to direct sunlight exposure.
- Avoid exposing product to extreme temperatures.

WARNING

- Choking Hazard. Small parts. Not for children under 3 years.
- This product contains magnets or magnetic components. Magnets sticking together or becoming attached to a metallic object inside the human body can cause serious or fatal injury. Seek immediate medical help if magnets are swallowed or inhaled.
- There is a risk of damage if excessive pressures or smashes are imposed on the product. The product may be harmful once damaged, please keep it away from children.
- Do not throw the product toward anyone's face or body.

MAGNET SAFETY

- Always supervise children when they are using products that contain magnets.
- Do not allow children to put products with magnets in their mouths, and discourage them from putting them near their noses or ears.
- If a magnet becomes loose or falls off the product, remove it immediately and dispose of it properly.
- If a child ingests a magnet, seek immediate medical attention.
- Keep products with magnets away from electronic devices, such as credit cards, portable storage mediums, cellphones, computers, monitors, and TVs since it contains a magnetic force.
- Keep the products with magnets away from high temperatures and humidity. Be careful not to wet the product. Do not use it in humid areas or outdoors.
- Store products with magnets in a safe place that is out of reach of children and pets.
